The CBCS System (Earning Credits): The implementation of CBCS will depend on the Notification released by University from time to time.

For update please visit college website. www.lbsgcsnagar.edu.in

Outline of Choice Based Credit System:

1. **Core Course:(Discipline Specific Course I, 12 papers)** . The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/university adheres to common minimum standard. Also the course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course: (Discipline Specific Course II, 12 papers).**Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

3. **Core Compulsory Courses:**

1. English (In 1st Year and 2nd Year only)
2. Hindi/ Skt.(In 1st Year and 2nd Year only)

4. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: **(a).** Ability Enhancement Compulsory Courses (AECC)
(b). Skill Enhancement Courses (SEC).

Ability Enhancement Compulsory Courses (AECC):

(i) Environmental Science (1st Year only)

(ii) English /Hindi /MIL Communication.(1st year only)

5. **Skill Enhancement Courses:** (SEC) (4 for regular courses each 2nd& 3rd Year): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category is suggestive in nature and each

University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

6. **Discipline Specific Elective (DSE) Course:** Core course offered in 3rd year of degree under the main discipline/subject of study is referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
7. **Generic Elective (GE) Course: (**2 each for B.A./B.Com. regular courses in 3rd year

only)): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

8. **Practical/tutorials** (One each with every core and discipline/generic specific elective paper):

The list of practical provided is suggestive in nature and each university has the freedom toadd/subtract/edit practical from the list depending on their faculty and infrastructure available. Addition will however be of similar nature.

9. **Dissertation/Project***: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

Introducing Research Component in Under-Graduate Courses.

Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective paper.

Implementation:

1. The above given CBCS has been implemented by the University from 2019-20 onwards..
2. Credit score earned by a student for any elective paper has to be included in the student's overall score tally irrespective of whether the paper is offered by the parent university (degree awarding university/institute) or not in case of students migrating to other University.
3. For the introduction of AE Courses, they are divided into two categories:

   a) **AE Compulsory Courses**: The universities participating in CBCS system have common curriculum for these papers. They are to be one paper each in the 1st two semesters viz.

   (i) English/Hindi/MIL Communication, (ii) Environmental Science.

   b) Skill Enhancement Courses

4. The college will plan the number of seats per elective paper as per the facility and infrastructure available. An undergraduate degree in Science disciplines will be awarded if a student completes 4 core papers each in three disciplines of choice, 2 Ability

Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective papers based on three disciplines of choice selected above respectively.

5. An Undergraduate degree in Humanities/ Social Sciences/ Commerce may be awarded if a student completes 4 core papers each in two disciplines of choice, 2 core compulsory papers each in English and Hindi/MIL, respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC), 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above, respectively, and two papers from the list of Generic Electives papers.

6. For the purpose of computation of work-load the following mechanism will be adopted:

i) 1 Credit=1 Theory period of one hour duration.

ii) 1 Credit=1 Tutorial period of one hour duration.

iii) 1 Credit=1 Practical period of two hour duration

7. The credit(s) for each theory paper/practical/tutorial/project/dissertation will be as per the details given in the syllabus designed by University available on its website or as given in next two pages.

Institute should evolve a system/policy about ECA/ General Interest/Hobby/Sports/NCC/NSS/related courses on its own wherever there is a practical there will be no tutorial and vice-versa .
There shall be no private or other category of students and shall be eligible for degree either through regular mode or through distance education mode.

Students Course-wise Assessment and Evaluation

All courses (Compulsory, Core, Elective, and Ability Enhancement Course) involve an evaluation system of students that has the following two components:-

(i) Continuous Comprehensive Assessment (CCA) accounting for 30% of the final grade that a student gets in a course; and

(ii) End-Semester Examination (ESE) accounting for the remaining 70% of the final grade that the student gets in a course.

Continuous Comprehensive Assessment (CCA): This would have the following components:

a) **Classroom Attendance**: Each student will have to attend a minimum of 75% Lectures/Tutorials/ Practicals. A student having less than 75% attendance will not be allowed to appear in the End - Semester Examination (ESE).

b) Classroom Attendance Incentive: The incentive for the classroom attendance (for those participating in Co-curricular activities, 25% will be added to per cent attendance) will be awarded CCA marks as follows:

>75%but< 80%	1 marks
>81%but<85%	2 marks
>86%but<90%	3 marks
>91%but< 95%	4 marks
>96%	5 marks

c) **Mid-Term (Minor) Test**: one Mid Term Test will be conducted on the completion of 2/3 of syllabus. Each of these mid-term tests will be for 15marks.

d) **Seminar/Assignment/ Term Paper**: The remaining 10 marks of the CCA will be awarded on the basis of seminar/ assignment I term paper etc. that the course gives to the students. teacher might

NOTE: Only those students shall be allowed to appear in the ESE who have been successful in CCA

End-Semester Examination (ESE):

The remaining 70% of the final grade of the student in a course will be on the basis of an end-semester examination (ESE) that will be for three hours duration and will be covering the whole syllabus of the 'course. For the Odd Semesters the ESE will be in the month of October/November and for Even Semesters it will be in the month of April/May.

A candidate who does not pass the examination (ESE) in any course(s) or due to some reason is not able to appear in the ESE, other conditions being fulfilled, and so is considered as 'Fail'), shall be permitted to appear in such failed course(s)' ESE in the subsequent ESE to be held in the following October / November or April/May as the case may be.

The registration for the ESE will be done at the time of the enrollment for the course at the beginning of the semester. The fee for the ESE will also be collected at that time as decided by the university from time to time.

If a student is not permitted to appear in the ESE due to shortage of attendance beyond the exemption limit shall be deemed to have 'dropped the course. However such candidate, on his /her written request to be made immediately, can be permitted to redo the missed semester after completing I the rest of the programme or whenever the course

is offered subsequently. This redoing would mean complete course including CCA and ESE.

The information given above is general in nature, for exact and exhaustive details the students are advised to go through the CBCS regulations available with the admission committees, in the college Library and on the Himachal Pradesh University website, www.hpuniv.nic

Note: **To get BA/B.Sc. /BCOM degree as per UGC Notification Students have to compulsory pass EVS Subject as in lieu of instructions passed by Hon'ble Supreme Court of India**.
