

BLOOD DONATION CAMP (17.02.2026) **(Red Cross Society)**

A Blood Donation Camp was successfully organised at Lal Bahadur Shastri Government College Saraswati Nagar Sawra. The event was held under the joint aegis of Red Cross Society, Red Ribbon Club and all other units and clubs such as NSS, NCC, Rover Ranger, Women Cell, Anti Drug Cell, Road Safety Club and Anti-Ragging Cell. This blood donation camp was conducted by Dr. Manoj Ranjan and his team (07 other members) who came from the Blood Bank of Civil Hospital Rohru. Under his supervision, the entire camp was organised in an orderly and safe manner. The students of the college and few from community participated enthusiastically in the camp and contributed to this work of serving humanity. About 22 students, staff members and people from outside donated blood and showed their responsibility towards the society.

Red Ribbon Club students provided their services in checking the Hb of donors and distribution of refreshment. They also helped in managing and conducting this Donation Drive successfully.

On this occasion, the principal of the college Dr. Poonam Mehta said that blood donation is the biggest human religion and active participation of youth conveys the message of positive change in the society. The college administration expressed gratitude to all blood donors, organising committee and medical team and said that such events strengthen the social consciousness, cooperation and spirit of service among the youth. All the blood donors and volunteers were provided with refreshment from the college and certificates from the Blood Bank. The camp not only proved to be a life-giving initiative for the needy, but also encouraged the student's sense of personality building and social responsibility.

Dr Rohit Mokta
Convener, Red Cross Society
