On the occasion of **World Ozone Day (September 16<sup>th</sup> 2024)**, the Department of Geography and the Yuva Tourism Club of LBS Govt. College Saraswati Nagar organized a series of activities to raise awareness among the students and public about the importance of protecting the ozone layer. The celebrations included a documentary screening on bad consequences of the uses of ozone depletion substances (ODS) in the department Lab., followed by an environmental rally, which included poster making and slogan writing.

- 1. Documentary Screening:** The event began with the screening of an educational documentary that highlighted the significance of the ozone layer in protecting the Earth from harmful ultraviolet (UV) radiation. The film provided insights into the current state of the ozone layer depletion through uses of ozone depletion substances (ODS), the threats posed by human activities, and the steps being taken globally to mitigate ozone depletion.
- 2. Environmental Rally:** Following the documentary, an environmental rally was organized from college campus to Saraswati Nagar (Sawra) market and back to college. Participants, including students and faculty, holding slogans and posters with messages promoting environmental conservation and ozone layer protection. The rally aimed to engage the community and encourage collective responsibility toward maintaining a healthy atmosphere and stop uses of ozone depletion substances (ODS).
- 3. Poster Making and Slogan Writing:** As part of the event, participants created informative posters and wrote impactful slogans related to ozone layer conservation. These creative expressions were displayed throughout the campus and market area, acting as a reminder of the collective effort needed to preserve the ozone layer for future generations.

### Quiz Competition

The quiz competition was organized to celebrate National Tourism Day, which is observed annually on 25th February. The event aimed to increase awareness about the importance of tourism in our country, highlight key tourist destinations, and educate students on the diverse cultural and natural heritage of India. Initially planned to be conducted online via Google Forms, the quiz faced some unforeseen technical glitches on the event day. However, the competition was successfully adapted and conducted in a physical mode within the college classroom on 15th February 2025.

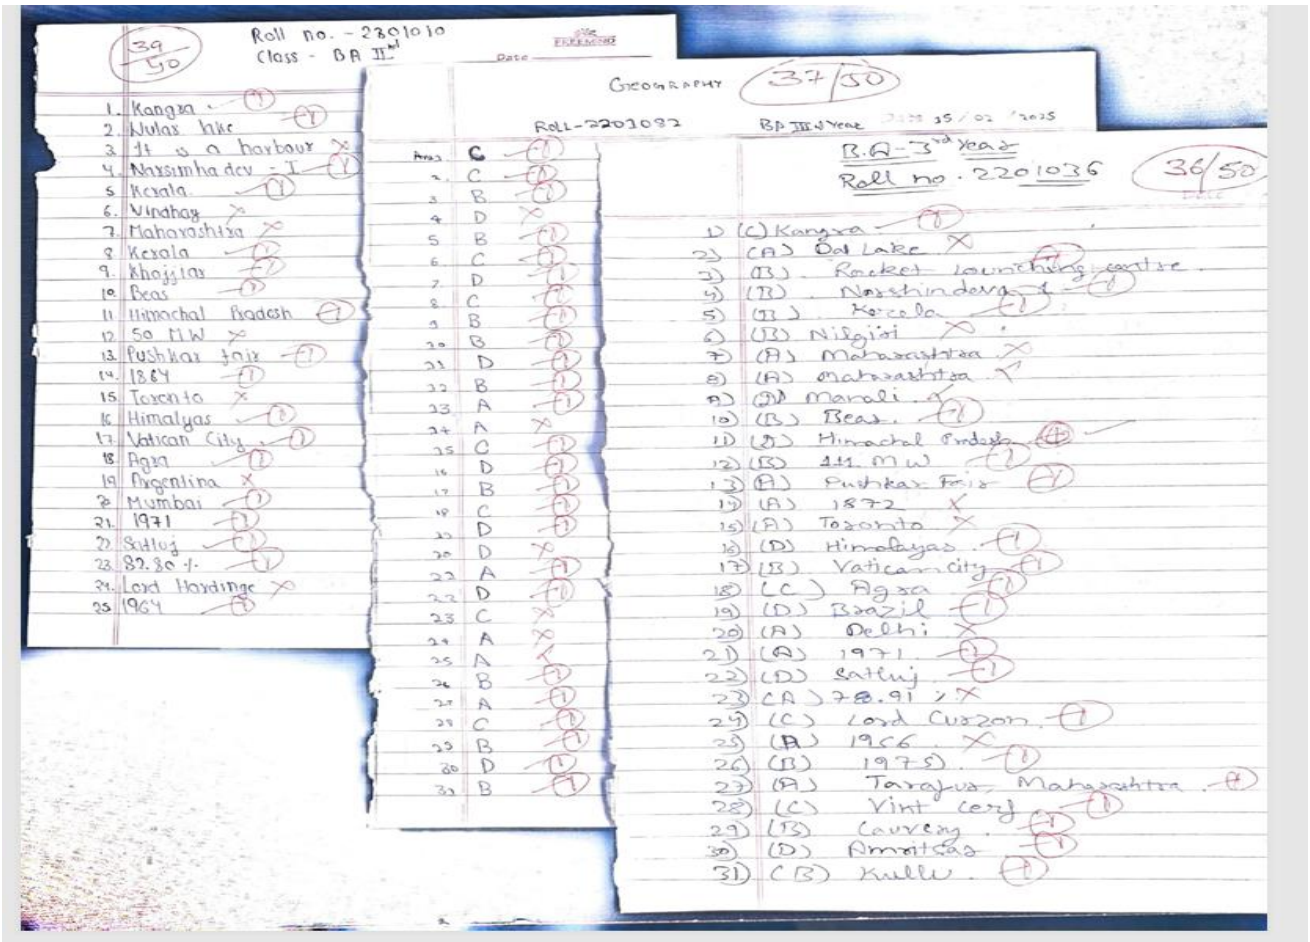

Nineteen students participated in the quiz competition. There were 50 questions in the quiz competition. All the questions were already prepared in Google form and the questions were displayed on the digital board one by one. It was an individual competition. At the end of the competition, only three top scorers will be declared for the first, second and third positions. The event witnessed a high level of enthusiasm, with students actively engaging their interest in tourism topics.
