Very well from all

Our college doesn't have auditorium

Focus on new skills

1. Use better graphics and visual media to engage students well.
2. Try to reach every student and ask for their doubts.
3. Make teaching a two way interaction.

The learning should be more practical than thoroughly.

Everything is going on accordingly but some of necessary infrastructures are needed to be provided there in the institution other everything is well we need to set a gym regularly with all tools and equipment needful for the fitness of students and pure water to drink and toilet Water facilities are also needed to be provided..

Should try to explain things practically

No suggestions from my side because my Institution teacher's skills are very well

After observing all i thought that teaching is good in this institute

To provide us some technical equipment for improving our education and giving us to moral education and changing our all syllabus

Every things are best

Need to improve in teaching and on institution and teachers have to stop given examples on their personal life

Your teaching is very good

College me sbhi teacher hone chaiye

Very. Well

More and more life sources should be provided to students and they should be given more and more opportunities to get successful and can earn something in their life

More opportunities should be provided to learn and grow.

I wish some features like LCD projectors and infrastructure would be improved in the future

I want the infrastructure and technical conditions in the future to be better than this year.

No one

I have nothing to say our teachers are good.

very good

Reading material should be provided and more field trips should be included

Arrange group discussion , debate , competition and contest
