REPORT ON BEAT PLASTIC POLLUTION

Awareness Program on Plastic Ban in the college (14th August, 2017)

Eco club of the college organized an awareness program for the all the students with the aim to spread awareness among them about the harms and negative impacts of the use of plastic on **14th August, 2017**. Students assembled in the college hall at 11:00 am. All the science faculties talked about the consequences of single use plastic and students were also told them to avoid the use of plastics in their lives. The use of single use plastic was strictly banned on the campus of the institution and students were motivated to use bags made up of jutes and clothes.

Cleanliness Campaign (11th March 2017)

On **11th March 2017**, all the members of Eco-Club participated in cleanliness campaign organized by Eco-Club unit of Lal Bahadur Shastri Govt degree college Saraswati Nagar. In total 55 students were participated. All the members gathered in college campus at 11:00 am. It was started with picking up the wrappers, papers, waste materials from around girl's hostel, staff residences and from commerce block. All the wastes dumped at one place and burnt there. The biodegradable waste matter put in the garden of college campus for decomposition. After that students were made aware about environmental related issues and how to make the environment clean and green. At last refreshment was distributed among the students involved in campaign.

Cleanliness Drive (1st September, 2017)

ECO Club unit of L.B.S. Govt Degree College undertook a cleanliness drive with a spate of activities on **1st September, 2017** as in accordance to the nation-wide ‘Swachh Bharat Cleanliness Campaign’. The students took a pledge to make their college, homes, public places and surroundings neat and clean. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole college campus and surroundings. College Principal, Vice Principal P.P. Chauhan, along with staff and eco club students were actively involved in the cleanliness drive. They enthusiastically took up brooms and garbage bags to clean up every nook and corner of the college, corridors, college grounds, parking lot and nearby areas. After doing this job for four to five hours, we all assembled in the college hall. Thereafter eco club in charge delivered the speech telling about the importance of sanitation. The main purpose of this programme was to create awareness among the students and public regarding Cleanliness and its benefits. The refreshment was given to students. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. The whole drive was quite inspiring and motivating for the staff and students.

Cleanliness Drive and Campus Beautification (1st September 2018)

ECO Club unit of L.B.S. Govt Degree College undertook a cleanliness drive with a spate of activities on **1st September 2018** as in accordance to the nation-wide ‘**Swachh Bharat Cleanliness Campaign**’ and ‘**Beat Plastic Pollution**’ theme of Environment day. The students took a pledge to make their college, homes, public places and surroundings plastic free. Students were given handy tips to keep their surroundings and college clean and free of

plastic waste. Under the theme of 'Beat Plastic Pollution', students were encouraged to make real efforts to break their dependency on disposable plastic. Under this programme, NSS unit of our college also participated. Even teachers were the essential part of this drive. As a part of this cleanliness drive and campus beautification, we had to clean and beautify the whole college campus and surroundings. College Principal along with staff and eco club students were actively involved in the cleanliness drive. They enthusiastically took up brooms and garbage bags to clean up every nook and corner of the college, corridors, college grounds, parking lot and nearby areas. We collected near about 100 kg of plastic waste. After collecting them we threw them in to the dustbins. After doing this job for four to five hours, we all assembled in the college hall. Thereafter eco club in-charge delivered the speech telling about the harmful impact of plastic waste and importance of sanitation. The main purpose of this programme was to create awareness among the students and public regarding cleanliness and its benefits. Students were also made aware about the harmful impact of plastic on our ecosystem. The refreshment was given to students. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever. The whole drive was quite inspiring and motivating for the staff and students.

Cleanliness Drive and Campus Beautification by Eco Club members

Cleanliness Drive in the Campus (04.12.2019)

It was a need of hour and yes that's why the Eco Club unit of the college takes this initiative of cleanliness every year to spread awareness among the students and teachers even the surrounding people to think, initiate and implement this. It should be our duty to take one step ahead against the Swachhta Abhiyan and make our region, our state, our country a disease free, pollution free and completely developed country. With this campaign, this year also the members of Eco Club took a pledge to clean our college campus and surrounding areas. We started at 10:30 am with the teachers and students from NCC. We took brooms and garbage bags in our hands to clean and pick up the plastics found in the campus and surrounding areas. We cleaned every nook and corner of the college including corridors, ground, parking area, canteen area etc. After doing the same for about four hours, we all gathered in the college hall. There refreshment was distributed among the students and the teachers. Eco Club members and some of the students volunteered to give speech on cleanliness campaign and harmful effects of plastics. Everyone was felt so contented in beautifying their own campus. We all took oath not to use plastics, disposables, and to keep our surroundings clean and also motivate others to do the same. The purpose of this campaign was found fruitful.

Rally Against Garbage (2nd October 2019)

On The occasion of Gandhi Jayanti NSS Unit of L.B.S. Govt P.G Collage organised an awareness rally against Garbage mainly Plastic. It was lead by N.S.S president Bhupinder Chauhan. All the volunteers gathered in collage at about 10:30am. After the inspiring speech by Dr. Poonam Mehta rally began at about 11:00am. The route covered all the areas between collage campus and Hatkoti. Awareness was spread through slogans prepared by NSS volunteers moreover they also cleared the garbage in their path mainly including plastic bottles, plastic bags and polythene. After reaching Hatkoti temple at about 12:00pm. All the volunteers thoroughly cleared the place and spread awareness by individually talking to people .The rally ended by a speech given by the NSS president.
