

**CAREER GUIDANCE LECTURE FOR THE STUDENTS OF GSSS PUJARLI-4
BY DR PUNAM CHAUHAN**

Date: 19.03.2026

An online career guidance lecture was organized on 19 March 2026 for the students of Government Senior Secondary School, Pujarli-4 through the Zoom platform. The session was delivered by Dr. Punam Chauhan, Assistant Professor, Department of Zoology, Lal Bahadur Shastri Government Degree College, Saraswati Nagar, Sawra, who served as the resource person.

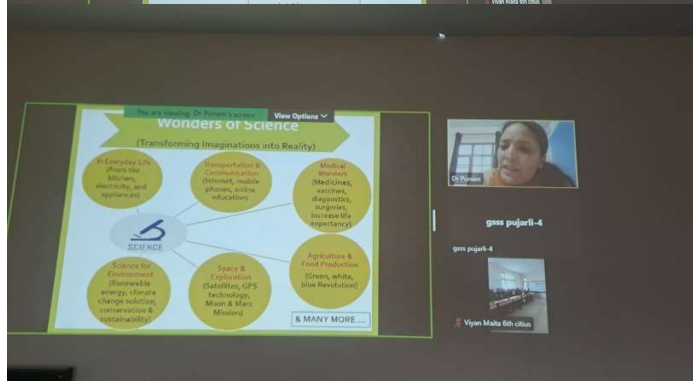

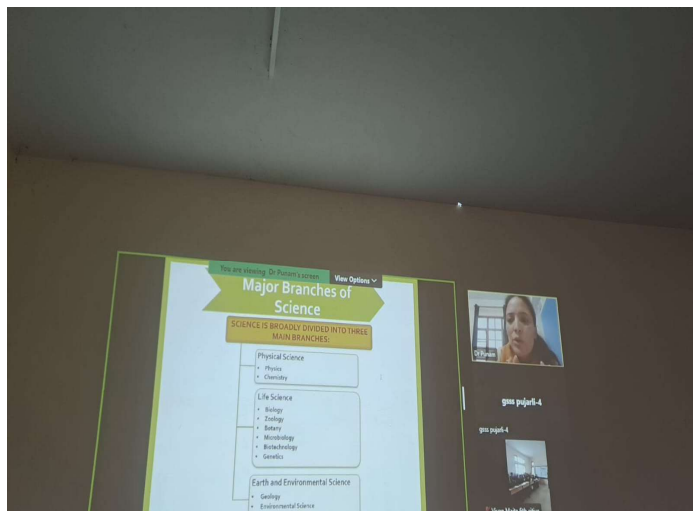

The lecture, titled “Unlocking the Wonders of Science: Its Boundless Scopes and Exciting Career Paths,” focused on creating awareness among students about the vast opportunities available in the field of science. Dr. Chauhan highlighted various disciplines of science and discussed the diverse career options available in research, healthcare, education, biotechnology, environmental science, forensic science, agriculture, and other emerging fields. She motivated students to pursue science subjects in their higher classes and encouraged them to develop scientific thinking and curiosity.

During the session, Dr. Punam Chauhan also encouraged the students to pursue higher education after completing their school studies. She introduced them to the academic programmes, facilities, and opportunities available at Lal Bahadur Shastri Government Degree College, Saraswati Nagar, Sawra, and motivated them to join the college for their higher studies. She emphasized the importance of quality education in building a successful career and inspired students to make informed academic choices. The interactive session proved to be highly informative and motivating. It concluded with a question-and-answer session, during which students actively participated and clarified their doubts. Overall, the lecture successfully inspired students to explore the limitless possibilities offered by science and encouraged them to pursue higher education with confidence and enthusiasm.
