SCHOOL ADOPTION CERTIFICATE

Title: College Adopted Govt. Center Primary School to Foster Holistic Educational Development

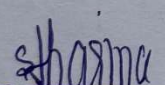

As part of Community Outreach and Nation-building, Lal Bahadur Shastri Govt Degree College Saraswatinagar has adopted Govt. Center Primary School Sawra. This initiative is aimed at strengthening the foundation of primary education through academic and social support.

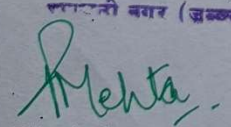

Under this adoption program, the college will extend regular assistance like distribution of stationary to students, donation of some useful game items and academic support. Along with this, value-based activities like programs focstising on hygiene, environmental awareness, moral values and cultural enrichment will also be organized.

The adoption was formally marked on **25th July, 2025** with a visit to the school by Dr Punam Chauhan, Asst. Prof Zoology and Prof Punit Manta, Asst. Prof Economics with the due permission of the Principal, Dr Poonam Mehta.

This initiative not only empowers the young learners at the primary school but also instills a sense of social responsibility among the college students. It reflects the spirit of 'each one, teach one' and aligns with the goals of the National Education Policy 2020, emphasizing collaboration and inclusiveness in education.

LBS Govt. Degree College looks forward to nurture this partnership and contributing to the development of a more equitable and educated society:

2. VISIT TO THE SCHOOL (25.07.2025)

As part of the college's ongoing School Adoption Programme, a faculty member visited the adopted primary school to strengthen academic support, encourage young learners, and assess the school's immediate needs. This visit reflects the institution's commitment to nurturing foundational education and fostering meaningful community engagement to interact with primary-level students and understand their learning environment to motivate students toward regular attendance and disciplined study habits, and to identify academic or infrastructural needs of the school. The visit helped in strengthening the bond between the college and the adopted school, identify areas where the college can provide academic or material support and also to motivate students through direct interaction with higher-education faculty

3. DONATION OF STATIONERY TO NEEDY STUDENTS (28.07.2025)

As part of its commitment to community development and educational upliftment, the college organized a Donation of Stationery Drive for needy students under its School Adoption Programme. This initiative reflects the institution's dedication to supporting foundational education and ensuring that every child has access to essential learning materials. The donation drive benefitted students from the adopted school, particularly those identified as belonging to economically weaker sections. The support aims to reduce the financial burden on families and motivate children to pursue their studies with enthusiasm.

4. VISIT OF PRIMARY SCHOOL CHILDREN TO COLLEGE (27.11.2025)

As part of the college's **School Adoption Programme** and its commitment to community outreach, a group of 36 primary school children, along with two teachers, visited the college campus. The visit aimed to inspire young learners, expose them to a higher-education environment, and strengthen the bond between the college and the adopted school. Objectives of the Visit were

- To familiarize children with the college environment
- To motivate them to pursue higher education in the future
- To provide an interactive learning experience beyond their classroom
- To build confidence and curiosity among young students
- To strengthen the collaborative relationship between the college and the school

The college organized a series of engaging and child-friendly activities, including:

- A warm welcome by faculty and student volunteers
- A guided tour of the campus, including classrooms, laboratories, library, and playground
- Demonstrations of simple science models or specimens
- Fun learning activities such as storytelling, drawing, or interactive quizzes
- Refreshments arranged for the children
- A short motivational talk encouraging them to dream big and stay disciplined in their studies

The visit of primary school children to the college was a joyful and meaningful experience. It not only broadened the children's horizons but also reinforced the college's commitment to nurturing young minds. The institution looks forward to organizing more such interactive and educational visits in the future.
