

## LANGUGAE LAB

LANGUGAE LAB: LBS. Govt Degree College Saraswati Nagar has a well equipped Language Lab. The Lab was set-up to improve the English language skills of the students. It focuses specifically on the listening and speaking skill of the participating students . The Lab consist of a teacher controlled system connected to 15 student desktops that have attached headsets with microphones. Through their individual systems each of the percipient can access the audio visual content controlled and delivered by the teacher. The language Lab provides each student the opportunity to work, at their own pace, on betterment of their English language skill.

Currently the lab taters to the needs of 40 enrolled students.
